

FEBRUARY 7

NATIONAL BLACK HIV/AIDS AWARENESS DAY

We're in this together.

Staying healthy is easier with support. Our friends and family are more likely to get tested, get treatment, and stay in care when they know we have their backs. Show your loved ones that they are not alone—get tested with a friend, talk to a partner about PrEP, or drive a family member to their appointment.

2019 STATISTICS IN DUVAL COUNTY AMONG THE BLACK COMMUNITY:

4,406

people living
with HIV

167

new HIV
diagnoses

86

people progressed
to AIDS diagnoses

17.6%

of people with
HIV were not
receiving treatment

Visit **HIVCareNow.com** to find a testing location near you.
